## **Keith Barbara Set to Open 2010 Season at Mercer Raceway Park**

**South Park, PA (March 22, 2010)** Keith Barbara and the Forbes Field Motorsports team will begin their second year with the Lazer Chassis this upcoming Saturday, March 27 at Mercer Raceway Park in Mercer, PA for the annual 'Chiller Thriller' that will pay \$2,500 to the winner.

'We went to Lernerville's practice on Saturday to shake off some rust and to work the bugs out of the car,' Keith said from his shop in Pittsburgh. 'We're heading to Mercer for the 'Chiller Thriller' this Saturday to open up the season and we'll probably do most of the UFO (Unified Force Race Championship) shows this season. You'll also see us a lot at PPMS (Pittsburgh's PA Motor Speedway) and at the Knob (Roaring Knob Motorsports Complex). We'll also hit some of the bigger shows in the area.' Barbara continued, 'After this weekend at Mercer, we'll have a whole new look on the car again thanks to Jason Fleming at Fleming Design Solutions and Tom Crow at Crow Designs. The new design is really sharp and I can't wait to see how it looks on the track.'

After this weekend's 'Chiller Thriller' at Mercer Raceway Park the team's schedule is undetermined. Keep an eye on Keith's website for schedule updates.
